The U.S. Embassy Kabul Public Affairs Section (PAS) of the U.S. Department of State is pleased to announce funding is available for programs of various scale to encourage collaboration between existing Afghan businesses with similar market positions. Please follow all instructions below carefully.

**Purpose of Grant:** This funding opportunity is to supportive collaborative efforts to bring existing small-scale women-owned and/or majority women-employing businesses together under cooperative umbrellas. Funds can provide support for training, product design, marketing, industry networking, central business advocacy support, and/or virtual and physical retail space for domestic and/or overseas markets. - Commitment to principles of transparency in selection and operations and demonstrated ability to meet Fair Trade standards for labor and product sourcing.
- Assessment of sales potential in either domestic or overseas markets, or both.
- A plan for connecting producers to suppliers and/or markets.

Innovative mechanisms for connecting women to markets and developing their capacity throughout the value chain are encouraged. For internationally focused projects, letters of support from international associations and/or major buyers are desired.
